\$328,000

With beautiful street appeal number 20 is not just easy on the eye, but is also a solid built block home that stands the test of time and can now be yours. Located in family friendly Soldiers Hill, this home offers 3 bedrooms, a huge drive through tandem carport, and lockup shed at the rear. Step inside this solid home and find a spacious lounge with views to the front yard and direct access to the large entertainment porch. The separate kitchen/dining area offers plenty of potential and looks over the backyard. The 3 bedrooms have brand new carpet and have built-in cupboards or robes and are split airconditioned. The bathroom is renovated with feature grey tiling plus a separate toilet, and the internal large laundry has extra storage space. Cooled by a well-maintained huge evap system plus two split air-conditioners, the switchboard has been fully upgraded. Additionally, the property has brand new windows with security screens and floating timber floors throughout the living areas, and the roof has been painted white to beat the heat. Outside you will find a fully fenced yard including the secure front fence and double gates, making this home great for pets and access alike. Automatic irrigation makes it easier to keep your lawns and gardens green. This property also offer a 20 panel, 5kw Solar system to keep the power bills down. Finally to top things off, it also comes with furniture including a couch & dining table, washing machine and dishwasher. Call Tanya on 0407 129 148 to arrange a viewing.
