This is the home you can sit on the front veranda and watch the world go by at sunset. Sitting on top of the hill with views from all areas of the front of the home this incredible opportunity is waiting. A great size lounge with tons of room and separate dining area. The kitchen is large with loads of bench space, 600mm appliances and a bench seat along the window to enjoy your morning coffee while you eat your breakfast. The bedrooms are all fantastic sizes and the master has a walk in robe and ensuite. A study nook separates the master from the rest of the home. Outside the alfresco area is large and well established with a high roof and looks over the back yard. So much space for entertaining family and friends through the summer months. A large double garage is set to the rear of the block. Ducted heating and split cooling. Close to shops, schools and public transport but just down the road from Bunnings and Kmart...my favourite places. One that will tick all the boxes with an affordable price tag, be quick to call Jodie 0438 291 069
