\$2,200,000

Facing north and bathed in sunshine, this wonderfully inviting family home delivers a considered approach to contemporary living with plenty of space for families to relax, retreat, play and entertain. Stylish interiors can easily adapt to modern day families with a flexible layout that could function as one spacious home or two self contained dwellings - for in-laws, teens or potential income. It offers easy connection to the outdoors where you can dine alfresco on the palm tree fringed deck or soak up the sunshine by the in-ground pool and spa. It is conveniently located within 850m from local shops, buses and Wheeler Heights Public School, plus a short drive to a choice of surf beaches. - A sunny disposition, wide free-flowing living and dining areas - Highly adaptable dual level design, self-contained living opportunity - Basks in all day natural light, soothing cross breeze and leafy outlooks - Streamlined stone finished kitchen with meals bar and glass splashback - Bosch gas cooktop, stainless steel oven, dishwasher and walk in pantry - Four bedrooms occupy two separate wings which add to the versatility - Fifth bedroom/study, well-presented bathrooms, guest powder room - Pool, large entertainers' deck, outdoor shower, soaring palm trees - Attic and under house storage, plantation shutters, gas heating - Tandem garage with internal access plus additional driveway parking
