Fantastic fully renovated first home or investment property 5 mins from town. If an affordable fully renovated first home is what you are looking for this property is perfect. All the hard work is already done and ready to move straight in. This neat as a pin 3-bedroom home features huge light bright windows throughout the home allowing for a fresh light filled open plan living and kitchen all topped off with fantastic solid timber hard wood polished floorboards. The bathroom is fantastic and has been renovated with a stylish modern look complete with bath. A large back yard with small shed is fully fenced and would like great with a outdoor entertaining deck for summer nights. The house is located only a 5 minute walk to everything Rosedale has to offer including boutique cafes, V/Line train service, great primary school and parks. Rosedale is becoming increasingly popular with young families due to its great location between Sale and Traralgon and its excellent community feel and tree lined streets. This property would be a excellent first home or investment rental property.
