\$1,100,000 - \$1,150,000

Pretty as a picture with warm & inviting interiors and a fabulous position close to parks and schools, this 4-bedroom, 2-bathroom home is an offering tailor-made for easy family living. Instantly appealing thanks to its timeless facade complete with white picket fence and neatly manicured garden, the home opens to stylishly refreshed accommodation where pale wide-board floors and plantation shutters add a touch of contemporary sophistication. Single level and cleverly zoned for harmonious family living, among the home's many highlights are formal and casual living/dining areas, a bay-windowed master with ensuite & walk-in robes plus a well-equipped timber kitchen where a handy breakfast bar and quality appliances, including a gas cooktop and Bosch oven, are standout inclusions. A bright family bathroom, separate WC and full laundry with storage and outdoor access are all included along with ducted heating and multiple split systems. Outside, a large undercover patio is embraced by a generous backyard, which has plenty of room for a pool if desired (STCA); finalising an utterly appealing package is a double garage with rear roller door access. St Mark's Primary School is nearby, and this prized locale is within striking distance of Haileybury and Lighthouse Christian colleges, Braeside Park, bus stops and Southern Golf Club.
