Situated on a 1129m² block this solidly built JG King steel frame home is ready for you to move on in. Good sized family home featuring 3 bedrooms plus study (or 4th bedroom), with the master having a walk in robe and an ensuite. Front formal lounge on entry leading into an open plan kitchen meals area and large family room. 2 bedrooms, family bathroom and separate toilet are zoned off for privacy. Freshly painted with new floor coverings complete the walk through, only needed updates to the bathrooms. Outside you will find an attached double garage with rear roller door, large concreted undercover alfresco area and side gated access which leads to a stand alone 4 car shed. This is a truly large family home on a great sized allotment in an established quiet part of Bannockburn. They are getting harder to secure so don't delay your inspection.
