An exquisite home with an easy and relaxing feel, this newly constructed masterpiece on the eastern side of Goonellabah will have the whole family falling in love. Set out over split levels, the four spacious bedrooms are accompanied by ample living areas. The main bedroom suite downstairs includes a generous walk-in-robe and ensuite, along with its own cosy living room and bonus study or 5th bedroom, while the bespoke timber staircase in the middle of the home leads up to a gorgeous open-plan layout with an abundance of natural light. Pendant lights hang over a sprawling island bench with breakfast bar, while the gas cooktop and butler's pantry will inspire the home chef. Entertain in style and enjoy the luxury of the space on offer or simply make the most of the layout that caters so well for busy families. The 859 square metre block means a large back yard with scope to create the outdoor area of your dreams, with landscaped gardens, pool, extended outdoor entertaining or even a secondary dwelling, all possibilities STCA. The quiet cul-de-sac location has access to picturesque walking tracks along Tucki Tucki Creek, whilst sporting fields, dog park and Workers Sports Club are all around the corner. Extra features of this magnificent home include solar electricity, ducted air-conditioning, stylish floor to ceiling curtains and sheers, 2-way family bathroom with a comfortably sized bathtub and under-house storage. Why build when the hard work is already done! Contact Troy and Jack at Elders Alstonville to arrange your inspection today. NB. Tenants in a lease until June 2024
