This solid family home is expansive in size and will easily cater for the larger or extended family with its dual living possibilities. Beautifully cared for, and spread over two levels, sitting proudly in an east-facing elevated position, making it absolutely perfect to capture cool breezes and ocean glimpses. The first level of this spacious home encompasses the main living with air conditioning and dining area. The beautifully presented kitchen acts as the gateway for this design, and is complete with a ceramic cooktop, wall oven, dishwasher, and ample bench and storage space. Through glass sliders, you can access the northwestern rear deck, which allows for easy entertaining. There are three good size bedrooms on this level, two offer built-in wardrobes and fans. The master suite benefits from ocean glimpses comes complete with reverse cycle air conditioning, a walk-through robe and a stylish modern ensuite. There is also an additional bathroom to service the rest of this level. The ground level is generous in size and is tiled throughout, consisting of 4 bedrooms, and a bathroom equipped with a shower, bath and vanity to service the ground level. The separate laundry stems from the bathroom. The layout offers a second living area with access through glass sliders to the ground floor undercover entertaining area, that overlooks the rear garden. The lower level of the home is a double brick construction with the first level being brick veneer, complete with a Colorbond roof. Storage will never be an issue with the oversized double lock-up garage, with drive-through access, ample garden shed space in the secure yet low-maintenance back yard. Corindi Beach is a sleepy seaside community that offers a quiet coastal lifestyle, with everything including the Corindi Beach Tavern, The Shop, The Chemist, The Post Office, Public school and the spectacular Corindi Beach is a 10 minute walk from the front door.
