This character '60's home has been tastefully renovated to seamlessly blend it's timeless charm with modern amenities. Offering convenience and comfort in one package, this gorgeous home offers 4 spacious bedrooms providing ample space for your family or guests. Sleek stainless steel appliances complement the contemporary kitchen, where all the necessities to create culinary delights are within easy reach. The two modern bathrooms are both functional and stylish. With high ceilings and slow combustion heating of yesteryear, it also has a refrigerated reverse cycle ducted system ensuring optimal year round comfort. There is generous off-street parking with a double carport and room behind for an additional vehicle. Situated close to town, enjoy easy access to shops, parks and eateries whilst embracing a walkable lifestyle with everything just a short stroll away. Representing excellent value for money, this home is ready to just move in & enjoy. Be quick to inspect!
