This three bedroom, two bathroom home is located in a quiet area just a short walk across the river to Queenstown's main shopping strip. One bathroom has a shower and vanity, the other has a bath, toilet, and vanity. All three bedrooms are good sized, and the home is heated by 2x reverse cycle air conditioners. The large kitchen even has a walk in pantry! The lockable garage has plenty of space for 2 cars, and there is also plenty of off street parking. Contact the office today to arrange an inspection.
