This superb 7.47ha (18.45 acres approx.) parcel of land, featuring fertile red soil and spectacular views across the Upper Coliban Reservoir, Coliban Valley and surrounding countryside, is just waiting for you to build your dream home (STCA). Other interesting features include a dam, quality pasture, power nearby, two street frontages, an old farm shed, and a wood lined well dating back to the 19th century, as well as some lovely stands of mature eucalypts for shelter. Offering numerous potential home sites, all with complete privacy and magnificent views, this is a rare opportunity for those looking for something special, only minutes from Cosmopolitan Kyneton and the rail link, one hour from Melbourne.
