SECLUDED PARADISE

Imagine yourself relaxing on the deck of this charming weatherboard home, looking out at your very own native bushland. Located at the end of two quiet courts, this block which is 1899m² approx, has dual access and ample parking for boats, caravans or extra trailers.

This secluded home has open plan living and dining, split system and three large bedrooms, one with a built-in office. It also has a large bathroom, separate laundry, and toilet, water tank and chicken pen, and is perfectly located only a few minutes' drive from the Metung Village and a short stroll to the soon to be completed Metung Hot Springs.

This private retreat also boasts a newly renovated self-contained studio, with split system, quality timber features, and a beautiful outlook of the garden. At the end of the leafy driveway is a staircase and walking track, which takes you through bushlands to the lake. With the potential to work from home, or create a financially sustainable lifestyle, this home will not disappoint.
