\$2,810,000

Nestled on expansive park-like grounds spanning 930sqm, this brick family home offers a solid presence with a generous 21.18m frontage. Designed for practical living, its interiors are filled with natural light and offer distant city views. This home features a two-level floor plan with 4 large bedrooms and 2 bathrooms, including a large functional kitchen. Additional highlights include separate in-law accommodation with a private entrance on the lower level, along with a double garage and carport providing ample parking. Plus, there's potential for duplex development (STCA). Conveniently located within a short walk to city bus stops, parks, and schools, this property presents an opportunity for both lifestyle and investment. Whether you're ready to move in, renovate or build your dream home, this is an opportunity not to be missed.- Versatile two level floor-plan with open plan living and breezy sun-filled interiors- Formal and casual living areas- 4 large bedrooms- 2 bathrooms- Large kitchen - In law accommodation with seperate entrance on the lower level- Double garage and carport - Possible duplex development (STCA)- Short walk to city bus, parks and schools- A fabulous family home in a highly sought after location- Land size: 930 sqm- Dimension: 21.18/20.73 X 46.28/46.15
