Julian Montebello

**\$890,000 - \$950,000**

Tempting spaces, both inside and out, are complemented by this inviting home's quiet setting at the end of a family friendly cul-de-sac close to F Rush Reserve, the Altona College campus, Cherry Lake's parkland, Harrington Square shops and Westona station. Original polished floorboards and pleasing garden outlooks define separate living spaces that surround the central kitchen/dining area of a downstairs format where pergola entertaining enjoys appealing garden privacy. 3 bedrooms and 2 bathrooms include a main bedroom with an ensuite and walk-in robe that creates a great parents retreat in an upstairs space of its own. Heating, cooling, impressive proportions, classic character and easy options for applying contemporary touches further enhance this enticing address where secure garage/storage and ample off street parking illustrate the allure of the land size.
