\$785,000

Built with inspiration, quality & space in mind, this exceptional home is a testament to the best of family living on offer. The thoughtful build enhanced the privacy - set high on the block, off the street, ensuring the gorgeous views over the nightcap ranges just draw you in as you relax on the front porch. Quiet cul-de-sac living on a huge 2500sqm of land, and yet so close to the Lismore CBD and all this great regional city has to offer. A welcoming entry, light and bright and so very spacious throughout every aspect of the home. The enormous open-plan living space showcases vaulted ceilings with so on-trend timber beams, and takes in living and dining, kitchen and family spaces – so close together or yet so separate. Kitchen is large, functional including great walk in pantry. Master Suite is huge, features views for days, the walk-in robe the envy of many. 3 additional bedrooms all large and carpeted, 2 with the gorgeous views. Envious walk in linen/storage space and incredibly spacious laundry with access to the covered outdoor living spaces at rear with the most beautiful and on-trend flagstone wall on the large terraced yard. Double Garaging, downstairs, is an enormous 8.9m x 7.1m of space with separate loo - large enough for cars, caravan or boat, plus it's a workshop with storage. Easy care yard and gardens Creature comforts are cared for with ceiling fans, air conditioning and sustainable power via the solar panels. This really is a must-see property - Contact Patrick or Lorraine 02 6621 9100 for private viewing and to discuss the private auction.
