This large, classy home occupies a 1012sqm freehold block and is stacked full of features! First impressions really do last, and upon stepping through the front door you will notice how stylish and fresh this stunning property truly is. The huge open plan living space has built-in cupboards, servery from the kitchen, and sliding glass doors to the quaint front deck. A contemporary kitchen is incorporated into this space, and features a moveable island bench, pantry, kettle/toaster nook, electric cooktop, oven, rangehood, dishwasher, and sliding glass doors out to the huge rear deck where a European laundry is neatly hidden. All 4 bedrooms are generous with built-ins to 3 of 4, and the master has the luxury of a walk-in-robe and an ensuite containing shower, toilet, and vanity. A sleek main bathroom consists of a shower recess, bath-tub, vanity, and separate toilet; and split system air-conditioning, ceiling fans, down lights, and vinyl plank flooring are installed throughout the home. At the rear of the property there is a powered colourbond shed complete with 2 front roller-doors, a side roller door, lights, concrete floor, power points, and an attached double carport.
