Do you want the chance to secure a block to build your dream home or investment on, in one of George Town's most recently developed areas? This large, flat 944m² (approx..) allotment is just waiting for someone to come along and make it their own, it would be perfect for building your next home or even a couple of units (STCA). The block already has all services connected and its larger size would be ideal for a family that wants a little more room. Modern homes are currently being built around this area, which will help boost your property's future value. This property is ideally located, as it is just a 5-minute drive from all of the conveniences that George Town offers and the beautiful beaches of Low Head. George Town has a lot to offer with 3 schools (two public & one private), a modern hospital, 2 supermarkets, as well as hardware supplies and other shopping conveniences. There are also a number of sporting facilities, a swimming centre, social clubs, and the internationally designed mountain bike trails are nearby. All this, only minutes from the beach, a 35-minute drive to Launceston, and less than one hour to the Launceston Airport.
