Tucked away in this peaceful and private enclave, highly sought after for its treed surroundings, community feel, and close proximity to the heart of Diamond Creek and the Diamond Creek trail, this recently refreshed home delivers the style you want, the space you need, and a location to relish! Boasting contemporary appeal and an intelligent layout over its two impressive levels, it is the ideal option for first-time home buyers, investors, or resizers seeking lock-and-leave living without compromising on lifestyle or location. Step inside to discover porcelain tiles in a light-filled foyer that leads to a ground-floor bedroom offering a wall of built-in robes, a deluxe stone-detailed ensuite featuring floor-to-ceiling tiles, and a private tree-top balcony. Ascend the stairs to find yourself in the expansive open-plan living area. Anchored by a stone-finished kitchen featuring quality Franke appliances and finished with good-looking, hardwearing laminate floors under soaring ceilings, it extends out to a balcony where you can relax or entertain against an evergreen backdrop while overlooking bushland along Diamond Creek. Two bedrooms (both with robes, one with a balcony), a stone-finished dual-basin bathroom, and a convenient separate toilet share the level. Fresh paint, new carpet, video entry, alarm, remote garage with internal access, extra parking, square set cornice, split system unit, ducted heating, and a concealed laundry with storage...it truly ticks all the boxes! ***PHOTO ID REQUIRED AT OPEN FOR INSPECTIONS***
