Spacious Family Oasis with Endless Potential Discover this expansive family retreat nestled in the heart of North Lakes, just moments away from Westfield, transportation hubs, and essential amenities. With four generous living spaces and an extensive outdoor patio overlooking a delightful in-ground pool, this residence promises boundless possibilities for your family. The centerpiece of this home is its expansive open kitchen, strategically designed to foster social connections. Abundant storage and ample counter space allow you to cook up culinary delights and create lasting memories with your loved ones. The large covered outdoor patio seamlessly connects to the open-plan living and dining area, creating an inviting, yet private, setting for gatherings. Nestled at the end of a peaceful cul-de-sac, this residence is surrounded by other fine homes, with a serene children's park just across the quiet street. This stunning family haven boasts a myriad of features, including versatile living spaces that can be transformed into additional offices, sitting rooms, or even a home clinic—the possibilities are endless. One such opportunity includes a garage conversion, which offers a living area and two additional rooms currently used as bedrooms, making it an ideal choice for grandparents, older children, or home-based businesses.
