Located in the pretty, historic township of Sheffield, this weatherboard home presents the perfect opportunity for the keen renovator to get into the market and put their own stamp on this family home. Positioned a short stroll to the CBD, the home has good size about it and is on a spacious 1,163sqm corner block with unit development potential (STCA). The property features 3 large bedrooms with a separate lounge & kitchen which both feature wood heaters for those cold winter nights. There is a large shed for extra storage. A fantastic opportunity here to renovate or develop (STCA), or both and live happily ever after in this lovely historic town. One Agency Collins has systems and procedures in place to verify the accuracy of the information provided, however, clients should rely on their own enquires.
