Discover the endless possibilities at 20 James Street and transform it into your personal haven. Envision repurposing one of the luminous sun rooms into an opulent walk-in robe and ensuite, or enhancing your living space by developing the downstairs area. With the substantial backyard, the idea of adding a quaint granny flat becomes a tangible dream. This property offers limitless opportunities to customise your living experience exactly as you imagine. This beloved home, held by a single owner who has recently relocated to be closer to family, presents a unique opportunity for those yearning to put their stamp on a classic Queenslander. The residence boasts three generous bedrooms, plus three additional sun rooms, providing plenty of room for creativity. The interior is awash with natural light, highlighting the home's elegant tongue and groove walls and fine details. Upstairs, two living rooms offer versatile spaces for relaxation and entertainment. Downstairs is equipped with a second bathroom, laundry, and workshop space, presenting an ideal setup for those considering a home-based business. The potential here is as vast as your imagination. Adding to the appeal, side access to a large carport with high clearance at the back of the property is perfect for parking leisure vehicles, ensuring that your lifestyle needs are met with both style and convenience. Seize the chance to make 20 James Street your custom masterpiece. For more information and to schedule your personal tour, contact Nikita at 0401 928 281.
