\$1,350,000 - \$1,450,000

A distinctive residence in John Liston Drive's best setting, facing Jackson Reserve, featuring a northerly rear aspect and garage access from Bond Lane, this outstanding home offers a beautiful combination of outlooks, luxury and lifestyle. Three ground floor bedrooms and two bathrooms, including a master suite that opens to a secluded, substantial decked retreat, precede light-filled first floor areas for living and dining framed by front and rear balconies. Vaulted ceilings and polished floorboards complement the character of these alluring spaces that surround a central open-plan kitchen. Enjoyable in any season, the balconies bring a sense of the outside in, enhanced by leafy outlooks at the front and the warmth of the sun to the rear. A fabulous, flexible loft above the secure double garage adds to the attraction of a superb design moments from Melbourne Road cafes, Mason Street shopping and Newport station - yet it's delightfully quiet as well as desirably convenient.
