This one's got 'family' written all over it. Sooooo close to shops, parks, schools AND transport. What a great location! The house is pretty nice too! You've got 3 built-in bedrooms, the important two bathrooms and plenty of living space with two lounge areas. One for the kids and one for the adults...perfect! The kitchen is cosy with a nice outlook via the window and gas cooking. There's a covered patio area to retreat for some peace and quiet and a two car garage (or storage for all that sports stuff?). It's lowset. It's low maintenance. Come view it for yourself and get the full lowdown! Watt faves...- Great location close to shops, parks, schools and transport- 3 BI bedrooms- 2 bathroom- Kitchen has gas cooking- Open plan living (2 lounge areas)- Dbl LU garage- Covered patio
