Nestled within the sought-after Oakdene Estate in Ocean Grove, this proud family home beckons as an ideal entry into the property market, a secure investment, or a serene downsizing opportunity. Exhibiting a coastal and contemporary façade, the charm seamlessly extends through every corner of the house. Stepping inside, the entrance unveils a welcoming ambiance, adorned with a feature window dressed in plantation shutters and complemented by Beech-coloured flooring. To the left, the main bedroom boasts double roller blinds for privacy, leading to an ensuite adorned with soothing coastal hues. A carpeted second living area, bathed in natural light through a large north-facing window, provides a cosy haven for movies or quiet reading sessions with a cuppa in hand. The heart of the home, the main living area, exudes openness, fostering a sense of togetherness with its beautiful flooring, abundant windows, and sliding doors. The modern and functional kitchen, adorned with on-trend colours and classic white tiles, includes a walk-in pantry, ensuring a seamless experience whether cooking, dining, or lounging on the couch. The main living area effortlessly extends to a north-east facing undercover decking and a low-maintenance yard, offering a perfect retreat for outdoor enjoyment. Bedrooms 2, 3, and 4 form their own wing, sharing a main bathroom that echoes the coastal hues of the ensuite, along with a convenient laundry. The package is completed by a double remote garage, adding convenience to daily living, and the tranquillity of a quiet and friendly location. Proximity to a major shopping facility, along with popular dining options like Mr. Grubb and Manor Suite, enhances the lifestyle appeal. Book an inspection today.
