Discover the perfect family haven in this impressive 4-bedroom plus study residence situated in an outstanding location. Boasting: - Three spacious bedrooms with built-in robes, while the master suite offers a walk-in robe and a fully equipped ensuite featuring a luxurious spa. - A formal lounge adorned with bay windows and a cozy open-plan kitchen, dining, and family area ensuring comfort and ample space. - The kitchen is well-appointed with gas cooking facilities, a wall oven, a walk-in pantry, and plenty of storage. - Climate control is ensured with evaporative air-conditioning and a gas log fire, catering to varying preferences. Externally, the large double garage has been converted into a flexible 4th bedroom or rumpus room, providing versatility that can easily revert to a garage if desired. Enjoy the outdoors with a spacious covered pergola, complemented by a garden shed and meticulously maintained gardens surrounding the home. Ideal for families, investors, or first-time buyers, this property offers versatile living options. Contact Bree at 0437 312 221 to schedule your inspection and explore this wonderful family-friendly property. Property Code: 4534
