\$850,000-\$920,000

Brilliantly situated close to Citylink, public transport and local shops, this welcoming two bedroom, mid-century charmer is also in the highly desirable Strathmore College zone. Complemented by thoughtful updates, the light-filled interiors are spacious with high ceilings, picture rails and polished hardwood floors. Both good-sized bedrooms feature built-in robes and share a stylish bathroom complete with shower over the bath and a vanity. At the heart of the home is the kitchen/family domain, opening to an undercover entertaining deck fringed by timber retaining walls and lush, mature gardens. Ample cabinetry and breakfast bar add to the fully-equipped kitchen, boasting Bosch appliances that include a modern induction cooktop, oven and dishwasher, perfect for any cook. The sunny lounge/dining promises cosy winter nights in front of the fireplace as well as relaxing summer evenings on the adjoining balcony enjoying the views. A single garage and under house area on the lower level, plus a substantial attic provide plenty of storage options. Split systems, laundry and extra off-street parking add to the comfort of this fantastic home.
