\$325,000 to \$350,000

Traditional charm is waiting for your touch with this versatile Queenslander. You'll love the heritage features of this home, including the high ceilings, polished timber floors, French doors and stained glass windows. The home features three bedrooms and one bathroom, with separate kitchen and living areas, and a handy room that can function as an office. The highlight of the property is the expansive front deck, while the 556 sqm block is fully fenced and has plenty of space for outdoor play. This is a property that's perfect for a young family or an investor with an eye for making strategic upgrades. It is located within walking distance from Rockhampton's Base Hospital and is close to transport and local schools. Spacious and light-filled, this lovely gem is sure to be snapped up fast. Move in and make it your own! - Three bedrooms, one bathroom- Air conditioning in main and third bedroom- Expansive front deck- Fully fenced- Under house storage - Great location
