The beautiful kitchen is well appointed, boasting granite benchtops, a breakfast bar, and quality appliances. The open plan living and dining room flows with ease onto the covered outdoor area and private back yard. There are five bedrooms in total, the main at the front of the home, features an ensuite, and walk in robe, plus all of the other bedrooms have built-in robes and there is an extra study space too! The modern family bathroom has a separate shower and bath, perfectly designed for the busy family. Out the back you will find a double garage with automatic door, and a workshop.
