Phone Enquiry ID: 227240Ok, this small 2 bedroom miners cottage is showing its age and is a bit tired. But it is in an unbeatable location just 2 streets back from the shopping street and on a 1012 sq m block which is zoned R25. The house is positioned right at the front so most of the massive block is open ground at the back with just a garage to one side. Another big bonus is that it has solar panels as well as solar hot water. Both are almost new. There are also 2 air conditioners. It is an ideal home for those who want a property they can live in for a while and easily develop in the future. It's perfect for a single or couple.
