The single level design sits on an easy flat block of land opposite a nature reserve where you will often see Kangaroos and Wallabies feed. A home ideally suited to first home buyers, families or those looking to downsize. The air-conditioned open plan kitchen, dining and living areas are all central to the home and are benefited by two lots of sliding doors which lead out to a large tiled and covered alfresco area overlooking the inground pool and landscaped gardens, a great space to entertain with family and friends. The master bedroom is well positioned at the rear of the property, away from the remaining bedrooms and boasts a good sized ensuite bathroom and walk in robe. Sliding doors allow direct access to the alfresco zone and pool. The two remaining bedrooms are spacious in size and have built-in wardrobes. There is a separate family room to the front of the home, double garage with internal access, main bathroom with separate toilet and an internal laundry with plenty of cupboard space.
