Bathed in sunlight this well-designed two-storey federation-style brick and tile home is perfectly situated in a peaceful, leafy, established neighbourhood. This stately residence is central to everything and has so much to offer with 5 bedrooms, 3 bathrooms, and a 2-car garage featuring internal access. There's plenty of room for the whole family with three living areas, easy access with a level driveway and yard maximizing all of the space on the 569m² block. This home has been lovingly cared for and features two street frontages one which backs onto an easy access private cul de sac, ample storage and everything at your doorstep. Additional features include:- Public transport just down the street - Major shopping centre/cinema minutes away - Close to schools, beaches and sporting venues - Sun-drenched block with low maintenance established garden - Set back from road ensuring peace and privacy - Beautiful parquet flooring, carpets and tile flooring - Ornate cornices and timberwork throughout - Bay windows enhancing natural light and views - All five bedrooms with built in robes - Generous master bedroom with WIR and ensuite - Natural gas cooking, heating and hot water - 6 split system air conditioning units- Solid home that's been built to last
