Proudly poised on the high side of a desirable neighbourhood street merely metres from Surrey Park, Aqualink and Kingswood College, the romance of a Californian Bungalow façade reveals fashionable interiors that families will love. High ceilings, leadlight windows and open fireplaces pay homage to the past while the expansive multi-living room design and spectacular entertainer's kitchen with a stone island, marble-tiled splashback, stainless steel appliances and an induction cooktop deliver contemporary comfort. A substantial four bedroom plus peaceful living room/fifth bedroom design is complemented by an inviting lounge room and a generous open-plan dining and family room with a gas log fire and French doors out to a paved alfresco and spectacular garden backdrop. With two bathrooms including one with a free-standing tub, other highlights include upstairs walk-in robes and a garden-view balcony. In the very popular Box Hill High School and Roberts McCubbin Primary School zones, nearby buses travel to Presbyterian Ladies' College and Deakin University.
