Benchmark Luxury – The Finest Modern Offering Introducing a Langdon Homes masterpiece that surpasses all expectations. This exceptional display home leaves no room for uncertainty, boasting impeccable maintenance and premium inclusions that showcase its superior build quality. Currently leased as a display home until 12th August 2024, with the option to extend the lease for four three-month periods at just 5% of the purchase price, this is an opportunity not to be missed. Step inside and be captivated by the multiple living spaces that cater to every need. Beyond the formal entry lounge, open-concept living and meals areas converge at the designer kitchen exuding elegance with stone benchtops, ample cupboard and bench space, a large island bench/breakfast bar, soft-close cabinetry, and a generously sized walk-in pantry. Entertaining flows effortlessly to the fabulous alfresco entertaining space, creating a harmonious blend of indoor and outdoor living. With four great-sized bedrooms, including a spacious master retreat complete with a large walk-in robe and a luxurious ensuite featuring a frameless glass walk-in shower, double vanities, and a separate toilet, this home exudes comfort and style. There is also a dedicated home office space or retreat, ideal for those seeking a private workspace. Situated on a generous 512m² (approx.) block in Sunbury's new Redstone estate, this property enjoys an excellent north-easterly rear aspect. With access to fine schools, shops, and a multitude of leisure activities, as well as great proximity to Sunbury township and the train station, convenience is at your fingertips. Additional features include double garage capacity (currently utilized as an office space) with direct house entry via the mudroom, water tank, beautifully landscaped grounds, and heating/cooling systems.
