Thinking about moving to the country for the quieter lifestyle and looking for room both indoors and out then this will tick all the boxes. The largest of families will love it as has 5 bedrooms with the master having a walk-through wardrobe into the en suite whilst Bathroom 2 has a good-sized bath and separate shower. A second living area is ideal for the kids to hit the ball around the pool table or just play and be separated from the parents. The combined kitchen/dining and lounge is huge with a handy island bar ideal for meal preparation or to sit around for the casual meal whilst plenty more space for the larger gatherings. The living area adjoins and all of these look out to the rear yard which is of a great size and abundant with shrubs, plants and assorted fruit trees and the shedding is ideal for the handyman and can easily house up to 6 vehicles with 3 roller doors, personnel access door and an extra bay. Water storage is not a problem as plenty of large rainwater tanks which supply the whole property. Located on the northern side of Quorn on a corner allotment of approximately 1,600 square metres and only a 3-minute drive to the CBD this is a little beauty.
