SELLING NOW !!!!

This well presented family home has something to offer for everyone in the family. Walking through the front door you are greeted by the large living room with a split system A/C, opening into the dining room and large modern kitchen fit for a chef. The kitchen offers ample storage and a walk-in pantry and a wood fire in the dining room for comfort through the winter. 3 large bedrooms all with built-in wardrobes and the main bedroom having a split system A/C. Modern main bathroom with bath and stand-alone shower and separate toilet. A sliding door from the dining room out to the undercover entertainment area overlooking the large back yard, the yard is split into two portions. The home offers loads of storage having three lock-up garages, one has been turned into the ultimate man cave having a wood fire and dart board. Second bathroom outside beside the man cave. 3 bay cement dog cages, workshop and wood storage. This property is a must to inspect it ticks all the boxes, call Josh Boyd today on 0408348780 for your own private inspection.
