Ray White Rockingham Baldivis is excited to present this fantastic opportunity to rent this prestigious property. This double storey, 5 bedroom, 3.5 bathroom home has both a modern elegance and a playful charm. Downstairs is set out with entertaining in mind, its spacious layout is light-filled with 3 separate living areas where you have your kitchen and family zone, games room and a dedicated theatre. All this with an outdoor entertaining space to die for. The alfresco overlooks the pool and is well protected for all year round use. Downstairs you will find 4 bedrooms (3 minor beds and one of the master suites) along with a study. The kitchen is fit for a chef with double ovens, stone benchtops, a mirrored splashback and a scullery. The master suite is a retreat for the parents where relaxing is top of mind with views to the pool. Moving upstairs there is another master suite with not just a bedroom but a separate retreat area too with its own balcony. The retreat is plumbed and could be semi self-sufficient, perfect for a multigenerational family that needs their own space. The upstairs master suite has a his and hers walk in robe that leads to your own ensuite. The creature comforts of ducted air conditioning and the bonus of solar panels are of course on offer. If you are looking for an executive style property, where after a hard days work you can relax and come home to a high end property then look no further and get your application in now. Applications will have to be submitted prior to arranging a private viewing.
