Positioned in one of Summer Hill finest streets is this corner position, double fronted home, featuring light-filled living spaces and leafy garden haven, the beautiful family home makes a lasting impression by showcasing an expansive interior layout that perfectly blends its refined original details with a clever design. It has been stylishly upgraded and extended to provide an immaculate open plan living, dining space with flowing proportions and ultra-private outdoor areas for entertaining. The home is nestled on boutique street that is widely regarded as one of Summer Hill's best. From here you are within easy walking distance to the train station, shopping and village cafes, and in the catchment for Summer Hill Public School.- A striking corner presence makes an impressive introduction- High ceilings, polished timber floors and retained original details- A bright casual family space that flows easily to the outdoors- Sundrenched backyard featuring a lawn and entertainment spaces- Gourmet chef's kitchen with oversized island bench - Master bedroom with floor-to-ceiling built-ins- Under floor air-conditioning, original fireplaces - Landscaped front yard, back yard and side yards- Double lock up garage parking for two cars and ample storage
