\$1,225,000

From the moment you walk through the front door of this home, you'll know that you have found most possibly the best property in the Camden Haven area! This uniquely designed home boasts a massive lounge room, open plan dining flowing from the state of the art kitchen with gas cooking and walk in pantry, spotted gum timber floors throughout the living, a master bedroom fit for a king with ensuite & a walk in robe that every woman will love. All bedrooms are of a queen size with great storage, compact study, and also features a separate media room to sit back and watch your favorite movies. The outdoors comprises massive outdoor covered entertaining area overlooking the yard and North Brother Mountain backdrop, plus a large rumpus opening to the landscaped in ground pool for a summertime cool down plus an outdoor shower. An oversized double garage with room for a 3rd vehicle, camper trailer or all the toys, plus either a workshop area or home gym, and side access to the rear garden and shed ideal for the boat or van - it's got it all. You have a very unique opportunity to purchase one home that is sure to impress, and will give you the lifestyle that you have always dreamt of having in the beautiful Camden Haven. With so many extra inclusions you must see it to appreciate the quality call today!
