Welcome to 20 Sadri Court, where the promise is not just shelter, but the canvas upon which your family's dreams will come to life. As you approach the electric entry gate, it effortlessly glides open, welcoming you into a world of comfort and convenience. A sense of warmth and security envelops you—it's not just a house; it's a sanctuary, where families come together and find solace in each other's company. Step inside, and you'll find four bedrooms, each uniquely designed to accommodate the dreams and aspirations of their occupants. Imagine waking up every morning in your personal oasis, a place where you can be yourself. Plus, enjoy the benefits of two bathrooms that enjoy under floor heating for that added level of class and comfort. In the heart of this dwelling, a modern kitchen stands as more than just a place to prepare meals. LED lighting casts a gentle glow over sleek appliances and ample storage, creating a space where culinary adventures unfold, and where laughter and stories are shared over family dinners. Beyond the kitchen, open-concept living areas beckon you to create cherished memories. Sunlight filters through, casting a warm glow on the spacious rooms, encouraging laughter and joy to fill the space. Venture outside, and you'll be greeted by a backyard that feels like your own private Eden. A Holman irrigation sprinkler system tends to the lush greenery, ensuring your outdoor haven remains pristine.
