20 Seahorse Circuit is a very well presented property only a short walk to the infamous Dundowran Beach. This classy residence is the epitome of comfort and style, offering a serene retreat for your entire family. The master bedroom is a true sanctuary, featuring a spacious walk-in robe and a private ensuite for your convenience. With the hard work already done, all that's left for you to do is move in and unpack your bags. The meticulous upkeep of this property ensures a neat and tidy living space that exudes warmth and charm. One of the standout features of this eco-friendly home is the 28-panel solar system, a testament to the owner's commitment to sustainability. Say goodbye to those pesky electricity bills as the solar panels efficiently harness the power of the sun to meet your energy needs. The open-plan design of the home allows for seamless flow, creating a harmonious living space that extends to the undercover entertainment area. Imagine hosting gatherings with family and friends in this inviting space, enjoying the coastal breezes. For those with a penchant for outdoor activities, a large shed awaits with a high-access roller door, perfect for accommodating a caravan or boat. The attached carport adds an extra layer of convenience. Inside the shed, three-phase power is available for enthusiasts with serious power tools, catering to a variety of hobbies and projects. Situated on a sprawling 2260m² flat block, the property boasts pawpaw, banana, lime, and lemon trees, adding a touch of nature to your surroundings. The entire property is fully fenced, and an electric remote control gate ensures easy access to the shed and adds an extra layer of security. If you're in search of a home where every detail has been meticulously attended to, this is the one for you.
