This partly-cleared block presents a great opportunity to build a holiday weekender or an income-earning investment property in Bruny Island's most popular and sought-after destination. Located just a short drive or a pleasant walk from the beach, the block is accessed by a gravel drive from the upper end of Seaview Road, a quiet no-through road near the southern end of Adventure Bay. The cleared section of the land has a prepared flat site for a future build, with a good-quality caravan that can potentially be included in the sale. Attractive native forest with abundant birdlife comprises the balance of the block. The boundary of the South Bruny National Park, with walking tracks to Grass Point and Fluted Cape; and the Adventure Bay village precinct, with its excellent general store, café, community centre and sporting facilities, are all within a convenient distance. Vacant residential land in Adventure Bay is scarce - don't miss the chance to secure your place in Bruny's top spot.
