This solid brick home is sure to impress. The open-plan layout connecting the kitchen, living, and dining areas creates a spacious and inviting atmosphere, ideal for entertaining or simply enjoying family time. The modern kitchen equipped with a gas cooktop, electric oven, and dishwasher offers convenience and functionality for everyday use. Three bedrooms, two with built-in robes, all with wall panel heaters for extra warmth in winter. Serviced by a central bathroom and with a separate second toilet. The expansive decking area with views of the water and You Yangs adds a touch of serenity and natural beauty to the home, providing a perfect spot for relaxation or outdoor gatherings. The single lock-up garage and side access for storing a small boat, caravan, or trailer offer practical solutions for storage needs. Additionally, the secure backyard provides peace of mind for families with children or pets, allowing them to play freely in a safe environment. Overall, it sounds like a wonderful place to call home, combining comfort, functionality, and beautiful surroundings.
