Nestled on an immaculately landscaped 2169m² allotment that boasts the most spectacular views. The elevation allows the beholder of the view - ever changing; to admire city lights, mountain ranges, seasonal changing cane fields, sunsets and the heritage listed smokestack of the old Habana Mill. The views will be cathartic and food for your soul daily. Destined to become your haven for mind, body and health. Recharge in the infrared sauna, sit in silence and gaze to the views or prepare delectable delights in the superb kitchen whilst entertaining guests around the custom-built saltwater pool. Every day will be like a holiday! A selection of living spaces; offering freedom, marvellous landscapes and scope to ensure this home fits to your lifestyle with flexibility and practicality. Without a doubt; the white on white kitchen is tasteful, practical and perfectly placed to allow entertaining to be seamless, the pool to be in your vision and close enough to everything if the kids need a helping hand.
