Absolutely perfect for growing families, this single-level home is set to impress with its free-flowing design and excellent presentation throughout – all on a sizeable block of land with terrific scope to further enhance and expand (STCA). Filled with natural light, the home's free-flowing interior comprises 3 double bedrooms (all with built-in robes), as well as a spotless two-way central bathroom and separate WC. Adding to the appeal is a wonderfully spacious and versatile open living/dining area adjoined by a neat kitchen complete with electric oven and ample cupboard space. Other stand-outs include ducted heating, evaporative cooling and additional ceiling fans for year-round comfort, as well as an alarm system and full-size laundry. Rounding out this terrific lifestyle package is a sunny backyard for the kids to enjoy, plus a remote-control tandem double garage leading through to the second garage at the rear. Bus stop around the corner, it's also walking distance to URBNSURF and Three Blue Ducks, as well as easy access to local parks and schools, Gladstone Park Shopping Centre, Tulla Freeway and Melbourne Airport.
