This stunning property combines the very best of peaceful rural living with all the contemporary comfort and style you could ever imagine. Every inch of this impeccable abode is simply breathtaking with flawless finishes and fixtures throughout the expansive five-bedroom, two-bathroom, single-storey floor plan. From the grand entry, the layout unfolds to reveal open and light-filled living spaces with towering 3m ceilings, polished terrazzo floors and oversized windows that frame the spectacular outlook. You can show off your chef skills in the gourmet kitchen, with a butler's pantry and generous island bench, before hosting guests in the dining area or stepping outside to the huge covered alfresco with more sensational views. All five bedrooms are generous in size with two boasting walk-in robes and three enjoying the convenience of a built-in robe. The same attention to detail is on show in the opulent bathrooms plus there are plantation shutters throughout the home, multiple fireplaces, a media room for your next movie night. Outside, an inground concrete saltwater heated pool promise endless hours of fun while the expansive lot offers landscaped gardens, a 120,000l inground rainwater tank, solar power system to keep your power bills down and fenced paddocks to keep your farm animals. - A new level of luxury and elegance could be all yours in Razorback - A stunning family home with five bedrooms and two bathrooms - Enjoy multiple living areas with plenty of room to entertain guests - A high-end kitchen with quality appliances and a butler's pantry - Tall 3m ceilings, fireplaces, plantation shutters and statement lighting - A large covered alfresco with glorious elevated views on offer - An inground concrete saltwater heated pool - A solar power system, a 120,000l rainwater tank and four-car parking - Less than 15 minutes from Picton (approx.) with shops and amenities - You'll relish easy access to Camden, Narellan and Campbelltown
