Size, scale and location

Located in one of the district's premier small acreage addresses, this home offers room for the whole family to grow and enjoy. All rooms are wonderfully proportioned in a home that functions so well.

A large kitchen with views of the rear garden is adjacent to both formal dining, casual meals as well as rumpus room.

Set on just over 1.5 acres (6184m²) of level land, you have the benefit of an extra double garage away from the house as well as carport or storage area.

5 bedrooms plus a dedicated home office. All bedrooms have built-in robes and the master has an ensuite as well as walk-in robe.

Surrounded by quality homes, school bus at door and only 7 minutes drive to Camden's main street.

A rare opportunity to secure a wonderfully maintained home on an unusually large parcel of land.
