## **New to Market**

Visually spectacular with a location to match, this stylish grand masterpiece offers the most spectacular of locations in a captivating vineyard estate and embraces everything a luxurious lifestyle can offer. With style and sophistication at the forefront, this stunning residence is vastly spread over a manicured acre allotment and has a backdrop that will captivate you from every angle. Captivating street presence and immaculate presentation throughout. Oversized bedrooms with the main dwelling boasting two master suites. Multiple living areas including functional formal and informal options. High-end gourmet kitchen with sleek finishes and quality appliances. Separate guest quarters currently set up for Hot Yoga and Art Studio. Remarkable alfresco area making entertaining a must all year round. Manicured gardens throughout including your own private orchard. Quality inclusions with elegant modern finishes and striking detail. Ideally Positioned on Picton's finest acre, located close to all amenities.
