Set in the midst of greenery in the foothills. This delightful 3 bedroom entertainer offers the simple pleasures all homeowners should be afforded. In a court location, the property greets you with a modern, appealing facade. When you walk through the front door you are greeted with ample natural light flowing down the main hallway and set inside are natural timber floating floors. The home was built to showcase family living, as off the hall the spacious bedrooms have been carefully considered with large built in robes. Down the hallway, you find yourself with everything you need to cater for your family. A large purposely designed kitchen that provides a perfectly positioned island benchtop, to where you oversee the open plan living and dining areas which flow into the naturally lit alfresco outdoor area through the bifold doors. The kitchen offers 900mm stainless steel appliances, caesarstone benchtops, storage and cupboard space for days, with room for food preparation like no other. The master suite tops off the rest of the home with walk-in robe, fantastically proportioned ensuite and doors opening up into the alfresco and garden area. Your new garden has the perfect mix of undercover entertaining with privacy, covered by the hedge to the rear fence line. There's room for the kids to kick a footy, to entertain your family and friends, plus enjoy a quiet coffee in the morning away from the hustle and bustle that Boronia has to offer you. To top it all off you are perfectly positioned only a stone's throw away from all the Boronia and Bayswater has to offer with local primary and secondary schools, public transport and all your shopping needs will be met.
