Introducing an extraordinary family retreat offering refreshing sea views from an elevated perspective. This remarkable residence is strategically located near the Cannonvale Shopping Centre, promising convenience and space in equal measure. With a spacious layout spanning two levels, this home is designed to facilitate seamless indoor-outdoor entertainment, ensuring every moment is filled with delight and relaxation. Step into the heart of the home as you ascend to the upper level, where bi-fold doors unveil pleasant ocean views from the expansive verandah. This elevated space becomes a social gathering and BBQ feast, offering a unique perspective on coastal living. The kitchen, a masterpiece of modern design, is equipped with great quality appliances, generous stone countertops, and a breakfast bar, inviting culinary exploration and creativity. Venture downstairs to discover the master bedroom offering comfort and privacy, boasting its ensuite and a spacious walk-in robe, providing a luxurious retreat for moments of solitude and relaxation. An additional room offers versatility, serving as a study or additional living space, while a separate family room caters to the diverse needs of the household. The backyard's concrete inground pool is a sanctuary for relaxation and rejuvenation during the warmer months while benefiting from reduced energy costs courtesy of solar power.
