This delightful 4-bedroom home with a large workshop in an ideal up-and-coming location will appeal to buyers looking for a spacious family home. The beautifully renovated bathroom and other renovations already done this home is ready to move into. The lovely established child-friendly gardens and a large gabled entertainment patio invite you to enjoy plenty of outdoor activities. The modernised kitchen, central to the home is well laid out with plenty of bench space and cupboard. This cosy home has a very practical floor plan, offering a lounge, kitchen with a meals area, and a family room to the rear, with easy access to the covered, alfresco patio area and a large backyard with extensive paved areas. The kitchen is compact yet it still offers plenty of cupboard and bench space, with a handy breakfast bar for a quick cuppa or snack. The comfortable bedrooms are centred around the family bathroom and the main bedroom has a spacious feel, with large, built-in sliding door robes. This well-finished home would make a great starter or retirement home for any astute buyer who is looking for a home they can comfortably move into - it is ready to enjoy NOW!
